Swell to Great
Great to Pedal

Pedal board Straight Concave

Hitch Swell

2 composition pedals

The organ was renovated by Ingram in 1951.

There is some leakage from the Great chest, with ciphers and pipes not speaking elsewhere.

The church is to be refurbished and the organ is no longer required. It is immediately available, and must be removed before July 14th.

Care is taken to provide accurate information but the seller is not responsible for errors.

Buyer makes all arrangements for dismantling, packing and transport.
